

Patient Engagement Forum Event Suffolk & North East Essex

Treatment

Thursday 30th November 0845am (for 0900am start) to 1330pm

Ransomes Sports Pavilion

Sidegate Avenue,

Ipswich, Suffolk

[IP4 4JJ](#)

Suffolk & North East Essex Integrated Care System (SNEE ICB) are looking to transform their cancer services in Suffolk and North East Essex and are keen for patients to get involved with the process.

SNEE ICB is committed to providing the best possible services for residents and want patients to help shape the healthcare they receive. As you are obviously aware, cancer has the potential to affect everyone, and we want to include the thoughts and view of you as patients who have undergone treatment and also your family, carers and friends, but also those that may not have had direct contact with cancer services.

Plenty of parking on site

Refreshments available on arrival from 845am
