Patient Group Agenda – Tuesday 9 January 2024 @ 0930am

At the February meeting we discussed the times of the meeting and agreed that we would meet at 09.30am in the winter months and 6.00pm in the summer. However, if new people join the group and they would prefer the meetings to be held at different times e.g. later in the evening or Saturday mornings we will change to accommodate them.
